Iconic design

Liebe Händlerinnen und Händler,

die neue Kampagne von COEUR DE LION rückt besondere Augenblicke in den Mittelpunkt. Wie auf einer Bühne entstehen im Spotlight Momente voller Ausdruckskraft – authentisch, selbstbewusst und elegant.

Die Kontraste zwischen leuchtendem Rot, kühlem Blau und weichen Farbverläufen spiegeln die vielen Facetten der neuen Kollektion. Zeit ins Licht zu treten, den Mut zu finden sich zu zeigen und von innen zu strahlen: Spotlight your joy!

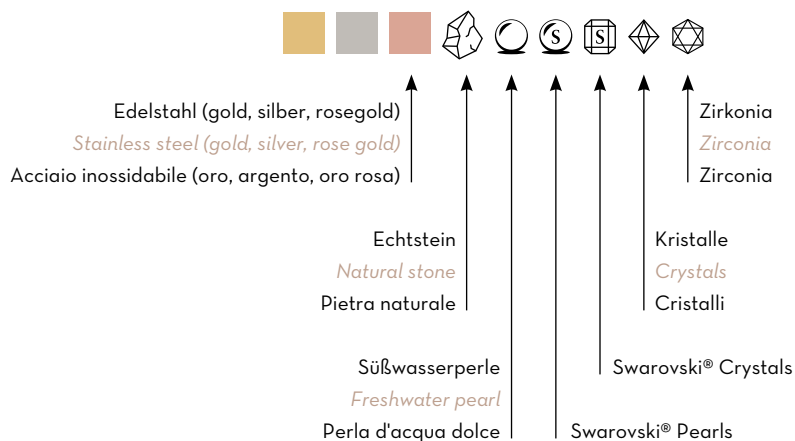

Dear retailers,

The new COEUR DE LION campaign focuses on special moments. Just like on a stage, moments full of expressiveness come to life in the spotlight – authentic, confident and elegant. The contrasts between vibrant red, cool blue and soft colour gradients reflect the many facets of the new collection. It's time to step into the light, find the courage to show yourself and let your inner radiance shine: Spotlight your joy!

Cari commercianti,

La nuova campagna di COEUR DE LION celebra i momenti d'eccezione. Come su un palcoscenico inondato di luce, momenti ricchi di emozione prendono vita sotto i riflettori: autentici, decisi e decisamente eleganti. I contrasti tra un rosso intenso, un blu ghiaccio e sottili sfumature di colore rivelano tutta la ricchezza e le molteplici sfaccettature della nuova collezione. È il momento di entrare nella luce, di osare rivelarsi e di risplendere dall'interno.

Metti in luce la tua gioia!

ESSENTIALS

LINK & LAYER

Einzel getragen oder kreativ kombiniert:
Unsere Verlängerungskette und -Armband
eröffnen unendlich viele Styling-Möglichkeiten.
Sie verlängern klassische Colliers – wie die Designs
der GEOCUBE® Serie – und verwandeln sie in
moderne MultiWear Looks.

*Worn on their own or creatively combined:
our extension chains and bracelets offer endless
styling possibilities. They extend classic necklaces –
such as the designs from the GEOCUBE® collection –
and transform them into modern MultiWear looks.*

Indossati singolarmente o combinati in modo creativo:
la nostra catena di estensione e il nostro bracciale di
estensione aprono infinite possibilità di styling. Prolungano
le collane classiche – come i modelli della serie GEOCUBE® –
trasformandole in moderni look MultiWear.

A fashion advertisement featuring two women against a solid blue background. The woman on the left has blonde, wavy hair and is wearing a dark blue pinstriped blazer over a dark top. She is wearing a gold watch with a dark face on her left wrist, a gold necklace with small rectangular links, and a gold ring on her right hand. The woman on the right has dark, shoulder-length hair and is wearing a dark blue sweater with a wide brown leather belt. She is wearing a gold watch with a light-colored face on her left wrist, a long gold chain necklace, and gold hoop earrings. The word 'WATCHES' is printed in large, white, serif capital letters across the middle of the image.

WENN UMWERFENDES DESIGN UND NACHHALTIGKEIT WIE ZÄHNÄDER INEINANDERGREIFEN

Der verantwortungsvolle Umgang mit Mensch und Umwelt liegt uns bei COEUR DE LION besonders am Herzen. Das bedeutet faire Löhne, hochwertige Materialien aus bevorzugt regionalen und europäischen Bezugsquellen und kurze Lieferwege.

Unsere in Stuttgart gefertigte Handmade in Germany Kollektion erweitern wir stets um innovative Schmuckstücke mit Multiwear Funktion, die mehrere Tragevarianten für verschiedene Anlässe vereinen, denn auch das gehört für uns zur Nachhaltigkeit.

Ein kleiner Teil unserer Produktrange, unsere COEUR Essentials, werden ausgelagert und unter hohen Qualitätsanforderungen und ethischen Standards produziert. Ob Ring, Armreif oder edle Ohrstecker, diese sagenhaften Allrounder sorgen alleine, aber besonders in Kombination für einen glänzenden Auftritt mit gutem Gewissen.

Jedes unserer Schmuckstücke wird von uns qualitätsgeprüft und liebevoll in FSC-zertifizierte Etuis verpackt, die aus nachhaltigen Forstwirtschaften stammen.

WHEN STUNNING DESIGN AND SUSTAINABILITY BECOME ONE

Responsible treatment of people and the environment is particularly important to us at COEUR DE LION. This means fair wages, high-quality materials from preferably regional and European sources and short transport routes.

We are constantly expanding our Handmade in Germany collection, which is manufactured in Stuttgart, to include innovative pieces of jewellery with multiwear functions that offer several wearing options for different occasions - because, for us, this also contributes to sustainability.

A small part of our product range, our COEUR Essentials, are produced elsewhere under high quality requirements and in line with our ethical standards. Whether ring, bangle or fine ear studs, these fabulous allrounders ensure a brilliant appearance with a clear conscience, either on their own or especially in combination with other items.

Each of our jewellery pieces is quality-checked and lovingly packaged in FSC-certified cases sourced from sustainable forestry.

QUANDO UN DESIGN STRAORDINARIO E LA SOSTENIBILITÀ SI INTRECCIANO COME INGRANAGGI PERFETTAMENTE SINCRONIZZATI

In COEUR DE LION, la gestione responsabile nei confronti delle persone e dell'ambiente ci sta particolarmente a cuore. Questo significa salari equi, materiali di alta qualità provenienti preferibilmente da fornitori regionali ed europei e filiere di approvvigionamento brevi.

Ampliamo costantemente la nostra collezione Handmade in Germany, realizzata a Stoccarda, con creazioni innovative dotate di funzione Multiwear, che offrono diverse possibilità di utilizzo per differenti occasioni. Anche questo, per noi, è sostenibilità.

Una piccola parte della nostra gamma di prodotti, la linea COEUR Essentials, viene realizzata esternamente nel rispetto di elevati standard qualitativi ed etici. Che si tratti di anelli, bracciali rigidi o raffinati orecchini a perno, questi straordinari accessori versatili garantiscono un look luminoso ed elegante, sia indossati singolarmente sia, soprattutto, combinati tra loro, con la tranquillità di una scelta consapevole.

Ogni nostro gioiello viene sottoposto a rigorosi controlli di qualità e confezionato con cura in astucci certificati FSC, provenienti da foreste gestite in modo sostenibile.

WICHTIGE ANMERKUNGEN:

Bei COEUR DE LION stellen wir strengste Qualitätsanforderungen. Sowohl an unsere Lieferanten bei der Auswahl der Materialien als auch an unsere eigenen Mitarbeiter in der Produktion. Trotzdem gibt es Faktoren, die auch auf modisch hochwertigen Schmuck negative Auswirkungen haben: So birgt die direkte UV-Bestrahlung durch Sonnenlicht die Gefahr des Ausbleichens in sich. Wir bitten Sie, dies bei Ihrer Schaufenstergestaltung zu berücksichtigen. Außerdem sind alle legierten Teile, ja selbst beste Vergoldungen, empfindlich gegen Parfüm, Haarspray, alle mit Treibgas versetzten Produkte wie auch gegen den natürlichen Säureschutzmantel der Haut, der von Frau zu Frau verschieden ist. Darum empfehlen wir, Schmuckstücke vor dem Verwenden von Kosmetika und Parfüms abzulegen. Um Beschädigungen durch Wasser zu vermeiden, sollten Ringe vor dem Händewaschen abgelegt werden.

Nickel: Bei der Entwicklung und Auswahl unserer Produkte hat für uns die Qualität allererste Priorität. Wir haben einen hohen Anspruch an alle unsere Materialien und achten sehr darauf ausschließlich Materialien zu verwenden, die gut hautverträglich sind. Deshalb verwenden wir für unseren Schmuck und die Gehäuse und Schließen unserer Uhren Edelstahl 316L wie er auch in der Medizintechnik verwendet wird. Um den Verbraucher vor übermäßigem Kontakt mit dem Allergen Nickel zu schützen, wurden diverse EU-Richtlinien erlassen. Alle unsere Materialien und Produkte entsprechen der sogenannten Nickelrichtlinie 94/27/EG und der REACH Verordnung (Verordnung (EG) 1907/2006, Anhang XVII, Eintrag 27). Diese besagen, dass Produkte, die unmittelbar und länger mit der Haut in Berührung kommen, wie zum Beispiel Ohringe, Halsketten, Armbänder, Ringe und Armbanduhrgehäuse nur über eine sehr geringe Nickelfreisetzung verfügen dürfen. Dieser Grenzwert, der vom Gesetzgeber als unbedenklich angesehen wird, liegt bei $0,5 \mu\text{g}/\text{cm}^2/\text{Woche}$. Unsere Produkte unterliegen einer ständigen Qualitätskontrolle und werden permanent nach den gültigen Richtlinien getestet und sind konform zu allen gesetzlichen Vorgaben.

COEUR DE LION Service: Bei unseren Colliers arbeiten wir überwiegend mit nylon-ummantelten Stahlseilchen, die die Vorteile eines Stahlseils (hohe Reißfestigkeit) und eines Nylonfadens (das Collier liegt rund am Hals) miteinander vereinen. Sollte dennoch einmal ein Collier reißen, werden wir dies Ihrer Kundin umgehend ersetzen.

IMPORTANT NOTE:

At COEUR DE LION we impose the most stringent quality requirements on both our suppliers, our choice of materials and also our own personnel during the production process. Nevertheless there are factors which can have negative effects on high-quality fashion jewellery. For instance, direct UV radiation from sunlight can cause fading. Please be aware of this problem when designing your display windows. Additionally, all alloyed parts, including the best quality gold plating, are sensitive to perfume, hairspray and all products containing propellant gas, and also to the skin's natural protective acidic layer, which varies from woman to woman. Accordingly we recommend removing jewellery before putting on cosmetics or perfume. To avoid possible water damage, please ensure that you remove our rings before washing or bathing.

Nickel: Quality is our absolute top priority when developing and selecting our products. We have high standards for all our materials and take great care to use only materials that are very kind to the skin. That is why we use 316L stainless steel for our jewellery and the casings and clasp of our watches, as it is also used in medical

technology. In order to protect consumers from excessive contact with the allergen nickel, various EU directives have been issued. All our materials and products comply with the so-called Nickel Directive 94/27/EC and the REACH regulation (Regulation (EC) 1907/2006, Annex XVII, entry 27). These state that products that come into direct and prolonged contact with the skin, such as earrings, necklaces, bracelets, rings and wristwatch casings, may only release a very low amount of nickel. The limit considered safe by the legislator is $0,5 \mu\text{g}/\text{cm}^2/\text{week}$.

Our products are subject to constant quality control and are permanently tested according to the valid regulations and are compliant with all legal requirements.

COEUR DE LION Service: For our necklaces we predominantly use nylon-coated steel wire, which combines the advantages of steel wire (high durability) and of nylon thread, which ensures that the necklace lies flat on the throat. However, should a necklace nevertheless tear, we will replace it for your customer immediately.

NOTE IMPORTANTI:

In COEUR DE LION imponiamo i più elevati standard qualitativi, sia ai nostri fornitori nella selezione dei materiali sia ai nostri collaboratori nella produzione. Tuttavia, esistono fattori che possono influire negativamente anche sui gioielli di alta qualità. L'esposizione diretta ai raggi UV della luce solare, ad esempio, può causare lo sbiadimento dei colori. Vi invitiamo pertanto a tenerne conto nell'allestimento delle vostre vetrine.

Inoltre, tutte le parti metalliche con lega, compresi i migliori rivestimenti in oro, sono sensibili a profumi, lacche per capelli, prodotti contenenti propellenti e anche al naturale film idrolipidico della pelle, che varia da persona a persona. Per questo motivo consigliamo di indossare i gioielli solo dopo aver applicato cosmetici e profumi. Per evitare danni causati dall'acqua, gli anelli dovrebbero essere tolti prima di lavarsi le mani.

Nichel: Nello sviluppo e nella selezione dei nostri prodotti, la qualità è sempre la nostra massima priorità. Abbiamo standard molto elevati per tutti i materiali utilizzati e prestiamo particolare attenzione a impiegare esclusivamente materiali ben tollerati dalla pelle. Per questo motivo utilizziamo per i nostri gioielli, nonché per le casse e le chiusure dei nostri orologi, acciaio inox 316L, lo stesso impiegato anche nel settore medico.

Per proteggere i consumatori da un'eccessiva esposizione all'allergene nichel, l'Unione Europea ha emanato diverse direttive. Tutti i nostri materiali e prodotti sono conformi alla cosiddetta Direttiva sul Nichel 94/27/CE e al Regolamento REACH (Regolamento (CE) n. 1907/2006, Allegato XVII, voce 27).

Tali normative stabiliscono che i prodotti destinati a entrare in contatto diretto e prolungato con la pelle, come orecchini, collane, bracciali, anelli e casse di orologi da polso, possono rilasciare solo quantità estremamente ridotte di nichel. Il limite considerato sicuro dalla normativa è pari a $0,5 \mu\text{g}/\text{cm}^2$ alla settimana.

I nostri prodotti sono sottoposti a continui controlli di qualità e vengono costantemente testati secondo le normative vigenti, risultando conformi a tutti i requisiti di legge.

Servizio COEUR DE LION: Per le nostre collane utilizziamo prevalentemente cavetti in acciaio rivestiti in nylon, che combinano i vantaggi del cavo d'acciaio (elevata resistenza alla trazione) con quelli del filo di nylon (la collana mantiene una forma armoniosa intorno al collo). Qualora una collana dovesse rompersi, provvederemo immediatamente alla sua sostituzione per la vostra cliente.

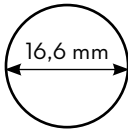

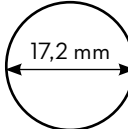

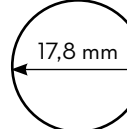

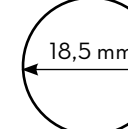

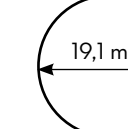

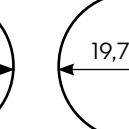

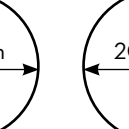

ECHTSTEINE NATURAL STONES PIETRE NATURALI

Jeder Stein ist ein Unikat aus der Natur. Daher sind Farbabweichungen möglich.

Each stone is unique and natural. Colour deviations are therefore possible.

Ogni pietra naturale è unica. Per questo motivo, possono verificarsi leggere variazioni di colore.
